

Truckee Meadows Water Authority

RATE SCHEDULES

RMWS – RESIDENTIAL METERED WATER SERVICE

APPLICABILITY

Delivery of water under this Rate Schedule is available for all purposes to any single family residential dwelling served through a separate Service Connection. This Rate Schedule is mandatory for delivery of water to residential Customers in newly constructed residential buildings which are occupied for the first time on or after July 1, 1988; and for residential Customers who receive a Meter pursuant to Rules 2 and 6.

Effective March 1, 2002, any single family residential Customer making a first-time request for residential delivery of water at an existing RFWS or SUFR and any previous single family residential Customer requesting a change of delivery of water to a different single family residential existing RFWS or SUFR, will be required to pay the metered rate pursuant to this Rate Schedule. For previously Unmetered Service Property(ies), the Authority will install Meter Facilities as soon as practicable, with costs to be borne by the Authority in accordance with Rule 6.

AVAILABILITY

The Authority's retail service territory.

RATE SCHEDULES

RMWS – RESIDENTIAL METERED WATER SERVICE

Other Charges

As specified in Rate Schedule OC and applied to total bill.

MINIMUM CHARGE

The Minimum Charge hereunder shall consist of the sum of the Customer Charge, commodity charge, backflow charge, late charge, right-of-way toll, and regional water management fee per Billing Period.

SPECIAL CONDITIONS

1. Customers previously billed at the 1 1/4" Customer Charge will be billed at the 1" Customer Charge.
2. Backflow Charge. This charge applies to single family residential Customers with a Service Property adjacent to landscaped area(s) that are irrigated with Non-Potable water and the Service Property has a backflow prevention assembly maintained by the Authority. The monthly charge applied per Billing Period for operations, maintenance, service and annual testing associated with the backflow prevention assembly is \$4.50.
